Frequently Asked Questions

Q: Do you accept Medicare?

A: Yes, in the Nursing and Rehab Center.

Q: What is your nursing staff ratio?

A: We have a great staff ratio which allows us to provide the highest quality of care. For a twenty bed facility we staff 3 CNAs and 1 bath aid during the day and evening, and have two CNAs on for the night shift.

Q: May I choose my own doctor?

A: Yes, as long as the doctor agrees to monitor the care and services you receive here at The Kenney. Our Social Worker will assist you to obtain a physician if necessary.

Q: Do you accept Medicaid?

A: Yes, in the Nursing and Rehab Center on a space available basis. Currently we have no Medicaid beds available.
