THE
Kenney

Welcome to the rest of your *life*

The legacy of Samuel and Jessie Kenney

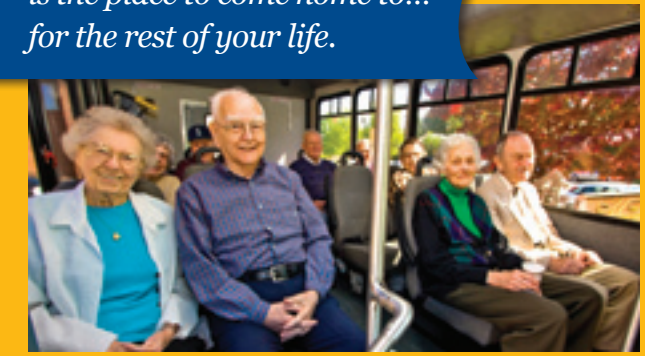

Seattle pioneers Samuel and Jessie Kenney dreamed of caring for generations of people in their golden years. They were so committed to this vision that Jessie's will

laid the foundation for what is now **West Seattle's only Continuing Care Retirement Community**.

Our Seaview Building opened its doors in 1909. The 1950s and 1960s saw the addition of the Sunrise Building and the Calvin Health Center. The Ballymena, named after Samuel's birthplace in Ireland, opened in 1985. And, we welcomed residents to our Lincoln Vista Assisted Living Building in 2003.

Today, we **continually evaluate the needs and desires of our residents and our community** to ensure that we are well positioned for future stability and growth.

Times change. But one thing remains the same. The Kenney is the place to come home to... for the rest of your life.

Comfort. Care. Community.

Life how it's supposed to be lived

That's just what we provide at The Kenney. Here, we're all about community – staying active, making new friends, loving life – while also serving each resident's unique and individual needs. You'll live each day to the fullest at The Kenney, **secure in the knowledge that you'll be cared for**, in good health or poor health, for the rest of your life. Whether you join our community in independent living, assisted living or our nursing/rehab center, you'll be able to **access all lifestyles** at The Kenney if and when you may need them.

The Resident Life Care Fund

Just as in any community, here at The Kenney, we help our neighbors. The Kenney Foundation accepts tax-deductible donations to make it possible for anyone to lend a hand when our residents need it the most. When people living in The Kenney find that their resources have been depleted, the Life Care Fund provides them with financial support to help ensure that they can remain in their homes.

As a not-for-profit, church-affiliated community – open and welcoming to people of all faiths – **our only priorities** are our residents' comfort, security and care. Our revenue is used to enrich the lives of the people who live here, not to pay investors. And, we have a better staff-to-resident ratio than most for-profit retirement communities. **That's the not-for-profit difference.**

The BIG question: How much does it cost?

The Kenney is an affordable place to live. Entrance fees are flexible and partially refundable to you or your estate. We also offer variable monthly plans. And, we can work with you and your real estate agent or estate planner to find the most economical and beneficial ways for you to live the life you want at The Kenney.

"I felt at home as soon as I walked in the door. The Kenney is the best choice I could have made for a comfortable and happy life."

Patricia Johnson, resident since 2001

"The Kenney feels like a tight-knit family, and best of all, I don't have to worry about home repairs and yard work. I wish I had moved here ten years ago!"

Gisela Schultz, resident since 2008
