

## Your Home, Your Choice *Seaview & Sunrise Independent Living Apartments*

Four living options on one campus mean a secure and comfortable life even as your interests and needs change. As a Continuing Care Retirement Community (CCRC), we are committed to providing all our residents with housing and programs that enrich their lives – mind, body and spirit.

**The Seaview and Sunrise Apartments** offer conveniences to uncomplicate your life. You can focus your time on the people and things you love and enjoy, and less on day-to-day tasks. Most of your daily expenses, such as meals, housekeeping and utilities, are covered in one simple monthly payment. And you still have the option to customize your new home with paint colors that match your taste.

Apartment homes in the 1907 Seaview building have many of the charms of turn-of-the-century architecture including high ceilings and sash windows. The 1958 Sunrise building offers unique apartment floor plans and individualized climate control with air conditioning. Both buildings offer apartments with views of the Olympic Mountains and Puget Sound, and have kitchenettes equipped with a refrigerator, microwave and two-burner stove.

The Kenney dining room offers a variety of menu options, helpful servers, and a buffet where you can select the items you want in the amount you want. Each meal offers a minimum of two entrée choices with fresh soups, salads and other accompaniments.

As a resident of the Seaview and Sunrise apartments, you may wish to take an active role in community operations. The Kenney Council provides a venue for presenting ideas, and offers leadership opportunities. Volunteering is another way many Kenney residents serve their neighbors. Your special interests and talents will allow you to make a unique contribution to the community.
