

THE
Kenney

Nursing
and Rehab
Center

Happy Spring to our colleagues, our physicians, and our partners in care!

2009 is off to an excellent start for us in the Kenney Nursing and Rehab Center. Starting last summer, our team initiated several changes that have positively impacted the quality of care and services we provide.

- We now take outside admits in all levels of care!
- We have changed the type of case mix admitted into our Skilled Nursing area to focus more on residents needing rehabilitation.
- An extensive facelift of our health center resident rooms has made them brighter, homier and more inviting.
- Dr. Joseph Palermo has recently joined our team as the new Medical Director. Dr. Palermo is a geriatric physician with over 25 years of experience in long term care.

We invite you to visit us this year, to see for yourself the results of our changes. We are honored by the continued support from all of you and wish you the best in 2009!

What else does The Kenney have to offer?

Skilled Nursing and Rehab

Hospice and Short Term Stays
