

VISITATION GUIDELINES

for Lincoln Vista and Memory Care

ARRANGING A VISIT

- ✓ Schedule your visit (including how many people) through Front Desk at (206) 937-2800 or through Danette Utley at dutley@thekenney.org/(206) 937-2800.
- ✓ Advance notice is required and drop-ins are not allowed. No “surprises” regarding safety.
- ✓ Visitation is limited to five (5) total visitors in the building at any one time for assisted living and memory care residents.
- ✓ If changes come up, please notify us in advance by calling the receptionist. This helps ensure that we stay at the limit of five total visitors.
- ✓ We recommend one (1) hour so everyone can have a chance to receive visitors. If you have questions, please ask.
- ✓ If you are running late, please notify the receptionist. Visits will still end at the scheduled time.

VISITOR EXPECTATIONS

- ✓ Both the guest and the resident must remain masked during visits, both in room and outdoors.
- ✓ The location of the visit will be specified when making the appointment - either the resident’s room or one of the patios. Visitor must proceed directly to specified location where the resident will meet them. Staff is available to assist residents as needed.
- ✓ Visitor must depart on the same path to lessen visitor traffic through the building.
- ✓ Visits are not permitted in common areas such as hallways, activities areas/lounges, or the dining room.
- ✓ Guests are not permitted in resident activities or in the dining room.
